

Student Competition Program:

Current registered students are invited to submit any related subject presentation of this Conference for competition.

There will be two allocated time slots as the interview periods for the competition judges during the conference. The actual time slots will be announced in the overall conference program schedule.

All contestants are required to stay at his/her poster location during these periods for the judges to conduct interview of his/her project.

Appropriate dress code for major international conferences is recommended.

The poster size is 100(cm)*200(cm).
